Fold only the bottom of the skirt and the long sides of the waist band inwards. Sew/glue. Then fold the short sides inwards. Sew/glue. Fold the waist band in half along the length. Do not sew/glue yet.

Fold the skirt stair-wise as shown, the striped pannels folding inwards. Do not sew/glue yet.

Iron the folds to make them hold.

Sew/glue the top of skirt into the waist band. Then sew/glue only the bottom half of the striped pannels together (marked on pattern).

Sew in a snap button or velcro at the button mark. Done!
